ASSET LIBRARY PACKAGE 3

A Pass Educational Group (A Pass) is proud to offer the eLearning Brothers' (eLB) products, to help your teachers and curriculum directors become eLearning ROCKSTARs™, who can bring their educational content vision to life.

These eLearning assets can help your school or district staff create awesome curriculum that is engaging, interactive, and visually inspiring. In this package of Asset Library resources, you will get access to:

The Icon Library, which has over 50,000 flat icons, a wide breadth of industry-specific, menu icons and more. This library is also available as Portable Network Graphics (PNG) or editable vector files for import to any authoring tool.

Cutout People, which includes over 100,000 cut out human characters demonstrating multiple poses, emotions, and props. Each character has transparent backgrounds and multiple size options. The library of Cutout People makes it easy to drop images into your project and make ROCKSTAR™ magic.

The Stock Assets Library, which has more than 2,000,000 royalty-free stock assets, including images, audio, and video assets perfect for your eLearning project. Each asset includes vectors and illustrations, background music, loops, sound FX, and motion graphics.

The PowerPoint Graphics Library, which boasts of more than 9,000 professionally designed graphics in PowerPoint. With 100% editable content, it features compatibility with other software, so you can easily integrate data. Be an eLearning ROCKSTAR™ creating animation and sharing brilliant ideas with fewer words.

The eLearning Template Library, where you can locate 1,000s of interactive templates and assets for top eLearning software. You will gain unrestricted access to the project source files for games, quizzes, interactions and scenarios, layouts and more.
